Pride Drives Vietnam -

Saigon Gay Tours

26/12 Nguyen Binh Khiem, District 1, Ho

Chi Minh, Vietnam

Tours

Owners Description: Pride Drives is a Tour Company, based in Ho Chi Minh City, Vietnam that was founded to serve the LGBTIQ+ community. They offer Street Food and City Tours on motorbikes and tuk-tuks within the city. Their tours take place throughout the day. They run morning, afternoon and night tours, in rain or shine. They are the first and leading gay-tour agency in Vietnam.

Why should you choose Pride Drives Vietnam?

They offer the most AUTHENTIC local Vietnamese dishes. Tourist dishes like Pho, Banh Xeo, Bun Cha... aren't on their menu. Their tour introduces you to dishes that you may not have heard about, but are very popular among the locals. Their food quality is top tier. Unlike many other cheap tours advertised, they serve the highest quality street food that you will never eat on other tours.

The adventures they give are UNIQUE. Unlike the regular bus and car tours, tours offered by Pride Drives Vietnam take place on Motorbikes-the most popular vehicle used in Vietnam and Tuk-tuks-a retro vehicle, widely used before 1975. On these vehicles, you can merge yourself to the traffic, smells, tastes and sounds of the city; to the life, society and culture of the local people. The food places are also carefully picked and genuinely local. You won't see other travelers because on our tours, you are the only "not-local". The team takes you guys to hidden places that no travelers can find by themselves. And

they avoid places that other tour companies use too.

Their service is professional. The team is staffed by licensed drivers and guides, who are young, smart, informative, knowledgeable, careful, enthusiastic, intelligent, talented, energetic, clever, helpful and charismatic individuals who pass on epic and timeless local knowledge through stories and jokes to eager and curious tour-goers. They are 100% fluent in English and will escort you throughout the whole tour experience.

Tuk-tuks can be an alternative for big groups or if the guests are too scared to sit on the motorbikes. In their safe and modern Tuktuks, you get to experience the sights, sounds and smell of Saigon without any risk to you or your family. Their tuktuks are small semi- enclosed "Troop Carriers" that provide protection from both traffic and weather. They can run our tours in rain or shine, so this is the best vehicle for Saigon's rainy season."
