Haulover Park

Lifeguard huts #12-#16, 10800 Collins Ave, Miami, USA

Beaches

Haulover Park is Florida's only legal clothing-optional beach, and is a hotspot for LGBT beach-goers to relax and hang out (if you know what we mean).

The gay area is at Tower #15, 16, 17. You can drive to the parking lot by 15493 Collins Ave. It is an amazing beach, full of

hot and often undressed guys - both locals and tourists.

The northern-most edge is where gay sunbathers tend to be found, but beware! Although it's legal to be nude, sexual behaviour is strictly against the rules and could land you in a sticky situation.

There's parasol and sun-lounger rental sites on the beach, as well as some food and drink stalls to quench your thirst, and trust us you will be thirsty.

Fun fact: Haulover Park used to hold the Guinness World Record for most people skinny-dipping (pictured)!
